16 dogs

1 rabbit

There are 21 dogs, 8 puppies, 80 kittens, & 35 cats in our care currently

In the past 30 days, we have taken in over 100 cats, almost 80 of them being kittens. Because of this, we are in need of the following supplies to help care for them:

Cat litter, bleach, KMR, steel wool, trash bags, litter deodorizer, and paper towels
